TO BARRENJOEY ANGLICAN CHURCH THROUGH BRENDA

Dear all,

How are you? I hope that you are all safe and sound and that the church is fairing on well together with the christians, even as we all face the Covid-19 pandemic. I am also fairing quite well, taking precautions in order to stay safe.

Before the schools were shutdown, we had done a number of exams in which the school is still analysing some and are yet to give us the results via sms. I hope to perform even better than the previous grades. For this period that we are at home, I promise to fully concentrate on my studies and even do extra work to my level best.

I would like to sincerely appreciate Brenda's love and support, together with the christians of the Barrenjoey Anglican church. I sincerely thank you for the support by providing us with the food stuff even at this time of hardship in our country. I will continue to pray for God's blessings upon you all abundantly.

I hope and pray that God will keep us all safe even through this hard time we are facing.

Yours faithfully,  
Moses Kigen.
